BAK KO

SHARE A SPACE WITH COMFORT.

Work together, or work alone. Korak tiered seating can serve as both a quick touch-down spot and an extended stay collaborative area. The multi-leveled design is perfect for delineating space during impromptu meetings or while waiting for your next appointment.

CONFIGURABLE & RECONFIGURABLE

Things change. Needs evolve. What might be perfect today, might not be ideal tomorrow. Korak is modular and easily moved around, allowing it to adapt for the needs of today, tomorrow and years from now.

DIVIDE AND CONQUER

Sometimes even public spaces need a little separation. Korak's optional upholstered dividers provide the aesthetic partition you need, with the subtlety you desire.
