TIMELESS BEAUTY BUILT TO IMPRESS.

Create a mood in any space that elicits elegance without trying too hard. Retro's post-modern appearance is time-tested with solid wood arm frames to create a warm and clean look. Multiple seat options are complemented perfectly with matching end or magazine tables.

Beauty isn't a benefit if it's missing functionality. Seat angles encourage good posture with support to the spine and a seat designed for optimum comfort - and it still makes a statement.
